

Some people think books are losing importance as a source of information and entertainment. To what extent do you agree? (Reported 2017, GT)

Children who start reading earlier in life, perform better later on in their school studies.

How important are early reading skills in a child's academic performance?

What other preschool factors influence a child's later academic achievements?

Some people think that children who spend a lot of time reading children's story books are wasting their time which could be better used doing other more useful activities.

To what extent do you agree?

Some people think that e-books are the death of paper books while others think that paper books will never disappear.

Discuss both sides and give your opinion.

Libraries should focus on improving their technological resources rather than in building a larger collection of paper books.

To what extent do you agree?

Public libraries will soon now longer be housed in a building as all facilities and books will be available online for all to access.

Discuss the advantages and disadvantages of public libraries only existing online.
