

July 2019

Today much of the food people eat gets transported from farms that are thousands of miles away. Some people believe it would be better for the environment and the economy if people only consumed food produced by local farmers.

Would the advantages of this outweigh the disadvantages?

The qualities and skills that a person requires to become successful in today's world cannot be learned at a university or other academic institutions.

To what extent do you agree or disagree?

(Iran)

Some people think that prison sentences should not be used in dealing with criminals. Education and job training should be used instead.

To what extent do you agree on disagree?

(Myanmar)

Nowadays more and more business meetings and business training are taking place online.

Do the advantages of this development outweigh the disadvantages?

Some people from poor and rural backgrounds find it difficult to get a university education. Universities have to make it easier, especially for such groups, to get into them.

To what extent do you agree or disagree?

(Sri Lanka)

Some people think that it is the responsibility of governments to take care of the

environment, while others believe that it is the responsibility of people to take care of the environment.

Discuss both views and give your opinion.

(Australia - General Training)

Most people prefer ready to eat food outside of their home rather than homemade food now.

Do you think this has more advantages or more disadvantages?

(India - General Training)

People spend a lot of money on various things as they earn more money nowadays than before.

Is it a positive or negative development?

(India - General Training)
