Many museums and historical sites are mainly visited by tourists rather than local people.

Why does this happen?

What can be done to encourage local people to visit museums and historical sites?

These days many families move to other countries for work. Some people believe that the children in these families benefit from this move. However, others believe that it makes life more difficult for the children.

Discuss both these views and give your own opinion.

Universities should develop methods to support students who come from rural and disadvantageous backgrounds.
